

# ABOUT US

The mission of Lions Club International is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through local Lions Club chapters.

Lions Club International was founded in 1917 by Melvin Jones when he asked a simple, world-changing question – "What if people put their talents to work improving their communities?" Over 100 years later, Lions Clubs International is the world's largest service club organization, with 1.4 million members in more than 50,000 clubs in 200+ countries.

The Oyster Bay Lions Club was founded in 1948 and encompasses the towns and villages in northwest Nassau County, including Oyster Bay, Locust Valley, East Norwich, Mill Neck, Bayville, Cove Neck, Centre Island and Brookville.

The Oyster Bay Lions Club supports several local, regional and national charities and initiatives:
